

Frenchmead Dramatic Monologues

Show of Strength Theatre Company
in the Brunel building, Southmead Hospital Bristol
Saturday 18 October 2014
32 FREE shows 11am - 5pm

Come and watch eight pieces of theatre, performed throughout the day created from the stories of hospital staff.

What's it really like working in A&E? What happens when you go on maternity leave and come right back to give birth at work? Are there any ghosts left behind at Frenchay?

Frenchmead is part of What's Our Story an ambitious project to record memories of Frenchay and Southmead staff - before, during and after the move to the Brunel building.

Working with theatre producer Sheila Hannon and photographer Simona Piantieri [What's our Story](#) is also an exhibition, film and online archive.

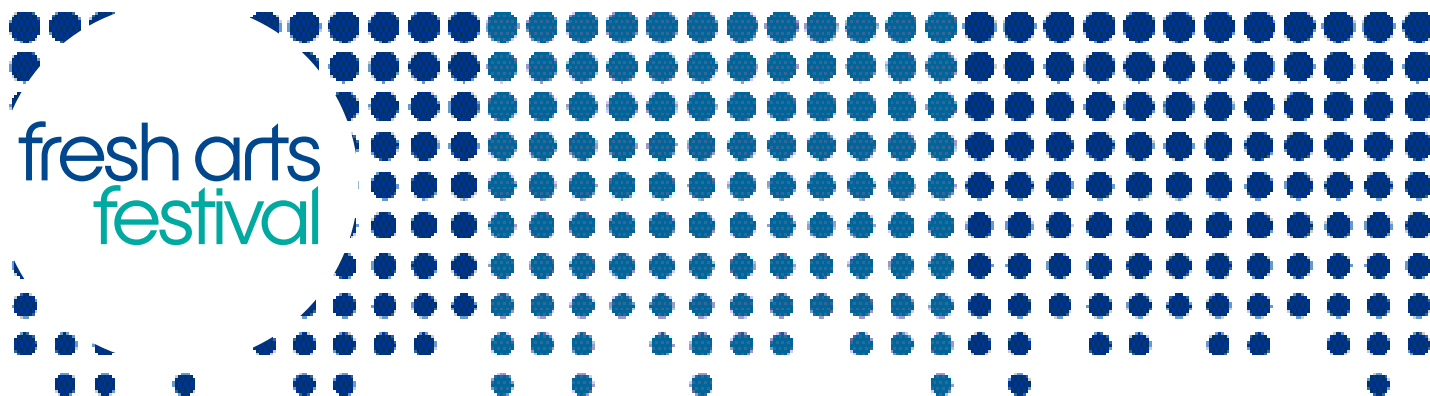

Mary Ingoldby - Lead Artist / Oral Historian
Sheila Hannon - Theatre Producer / Director
James Helps - Designer
