Both cover about a mile; all on the flat; a few steps in places. Lots of great places for lunch and shopping as you explore Bedminster past and present. Two walks to meet some of the extraordinary people who've lived in Bedminster, including barber Charlie Stephens, who went over Niagara Falls in a barrel; notorious imposter Princess Caraboo; and Aldred Daw Collard, poet butcher of North Street...

OUR FANS SAY...

"GREAT WAY TO TELL PEOPLE ABOUT THE AREA." "HILARIOUS... FANTASTIC"
